

DON Services and the Elm Street Project present:

# FREE ELECTRONICS RECYCLING

**Saturday, October 12, 2024 from 10 am – 2 pm**  
**831 Harrison Street, New Castle, PA 16101**

We help you dispose of your electronic waste in a cost effective and socially responsible manner.

Instead of dumping your old tech and adding to the current e-waste problem, we encourage you to use Upcycle's services. Upcycle is running collection drives across the country, making responsible disposal simple.

\*We provide a blanket certificate of data destruction ensuring that each hard drive is wiped using a Department of Defense and HIPPA compliant software.\*

## We Accept:

- Cell Phones
- Computers
- Laptops
- Servers
- Projectors
- Radios
- Keyboards
- Speakers
- Batteries
- Ipods
- Video Cards
- Mice
- Televisions \*Flat Screen Only\*
- Tablets and Kindles

Please contact Shelley at (724) 652-5144 ext.181 for more information!
